## ABOUT ME

Hello, my name is Gilar and I am a Front-end Developer with 4 years of experience in creating visually stunning and user-friendly websites and web applications. My skills include HTML, CSS, JavaScript, and proficiency in front-end frameworks such as React and Vue. I am dedicated to staying up-to-date with the latest web development trends and technologies. As a team player, I thrive in fast-paced environments and am committed to delivering high-quality results.
